(hereinafter «client»)

The operator of the VZ Financial Portal is VZ Depository Bank Ltd (hereinafter «bank»). The client is applying to the bank for access authorisation for the person(s) listed below (hereinafter «user»).

1. User

Person 1 Person 2

Access authorisation for third parties (specify their personal details below):

Title:	<input type="checkbox"/> Mr	<input type="checkbox"/> Ms	Date of birth:	<input type="text"/>
Last name:	<input type="text"/>		First name:	<input type="text"/>
Street:	<input type="text"/>		Street number:	<input type="text"/>
Postcode:	<input type="text"/>		Place:	<input type="text"/>
Country:	<input type="text"/>		Nationality/ies:	<input type="text"/>

2. Scope of the contract

The VZ Financial Portal enables the user to have electronic access to the services of the VZ Group (Swiss group companies of VZ Holding Ltd) and its related companies (hereinafter collectively «VZ»).

The client agrees to the uploading to the VZ Financial Portal of the data for all current and future services provided to the client. The client acknowledges and agrees that the user may have access to all of the client's services which have been activated. If the client wishes to impose special restrictions on the user in relation to the services, he/she may contact his or her client advisor.

3. Authorisation to access banking services (please tick as desired)

The user shall receive the following access rights for all current and future joint and individual portfolios:

Pure query authorisation	Payment transactions	Payment transactions and securities transactions
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Person 1 and person 2 mutually grant each other the following access rights to all current and future individual portfolios (i.e. person 1 receives access rights to the individual services of person 2 and vice versa):

Pure query authorisation	Payment transactions	Payment transactions and securities transactions
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

The client grants the third party the following access rights for all portfolios (i.e. the person authorised for access receives access rights to all services of person 1 / person 2 / joint relationships):

Pure query authorisation	Payment transactions	Payment transactions and securities transactions
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

4. Confidentiality of transmissions via the Internet

The client's attention is expressly drawn to the fact that the confidentiality of data outside the websites marked as protected is not guaranteed and that the execution of any orders received is expressly refused.

5. Non-binding status of mortgage data

The client acknowledges that any mortgage data stored on the VZ Financial Portal are legally non-binding and are provided solely for information purposes. Particularly in the case of adjustments to the mortgages, uploaded data may not be in conformity with the agreed terms.

Irrespective of the mortgage data published on the VZ Financial Portal, the agreed mortgage terms and conditions shall in any event remain legally binding.

6. VZ documents

The documents provided by VZ (such as, for example, credit notes, reports, etc.) shall be made available to the client in electronic form on the VZ Financial Portal. This does not apply to documents that are not electronically available or where hard-copy delivery is required by law:

- The client would also like to receive the tax documents in hard-copy form.
- The client would also like to receive quarterly reports on his/her custody accounts in hard-copy form.

7. Special provisions

For account/custody account relationships for which an asset management mandate exists, the user can only be given «query» authorisation.

It is the client's responsibility to inform the user of the content of the access authorisation granted hereunder and to ensure that the user complies with all obligations arising out of this application. The client acknowledges in advance all actions of the user in connection with this application as correct and legally valid and grants VZ a full discharge in respect thereof.

This access authorisation shall remain in force until such time as the bank receives written notice of revocation. Revocation of a limited power of attorney on the client's signature documents deposited with the bank does not automatically result in the revocation of this access authorisation, but rather this shall require a separate written notice of revocation. The access authorisation granted hereby shall not expire in the event of incapacity, declaration of presumed death or death of the client.

8. Integral part of this agreement

- Contracts with VZ
- General Terms and Conditions for Registered Access to the VZ Financial Portal
- VZ General terms and conditions VZ
- Stock exchange fees according to the e-banking Terms and Conditions (available at www.vzch.com)

The client confirms that he/she has taken note of the General Terms and Conditions for Registered Access to the VZ Financial Portal and agrees to their contents.
